

Title Technology Transactions Partner, Of Counsel, or Senior Associate

Description

Leason Ellis LLP is seeking a full-time attorney experienced in transactional work to join our talented team of intellectual property professionals.

Leason Ellis is an established IP boutique law firm headquartered in White Plains, New York. We launched in 2008, and now house over 30 patent, trademark, and copyright attorneys under our roof. We are one of only four firms listed in the IAM Patent 1000 New York section recommended on each of the prosecution, litigation and transactions tables.

Qualifications

You are an outstanding attorney with 8+ years of in-depth experience including transactional work such as IP due diligence and working with co-counsel, manufacturing and supply agreements, master services agreements, software and e-commerce agreements, and website privacy policies and terms of use. A solid tech friendly background and related degree(s) with the ability to prosecute patents is a plus. Ideally, you have a significant book of business and a client base which could benefit from our full-service IP capabilities.

Apply

Please submit your resume and cover letter (detailing your desired compensation range and relevant experience that demonstrates your skills as an attorney and why you see yourself at Leason Ellis) to [careers@leasonellis.com](mailto:careers@leasonellis.com)

Leason Ellis is an EOE/M/F/D/V/SO. We offer a competitive compensation and benefits package, and a dynamic, diverse and "remote flexible" work environment.

*Only direct submissions from candidates will be accepted. No unsolicited resumes from third party agencies or recruiters, please. Thank you.*

About

Leason Ellis is a full-service intellectual property law firm with a deep bench of professionals and a collaborative, hands-on approach. We're big enough to handle any intellectual property issue that our clients may face. Yet we're small enough to coordinate efficiently when evaluating our clients' issues, identifying practical and creative solutions for their business needs, and putting our insights to work on their behalf.
